

## How to Integrate Your Outlook or Gmail With MyMFG+

1. Navigate to the **Settings** section at the bottom left of the page (highlighted in red below).
2. Once inside settings, go to the **My Profile** tab (highlighted in green below).

3. Scroll to the **Email (2-way sync)** area (highlighted in blue below) and select Gmail or Outlook. Once selected, click **Connect**.

4. Login and follow the instructions given by your email provider.
5. Once complete, the sync will show as **Connected**.
